

PRESS RELEASE

Prime Engineering Employees Earn PE License

Atlanta, Georgia, January 18, 2007 -- **Prime Engineering, Inc.** is pleased to announce that two Prime employees have passed the Professional Engineer examination. Both Mr. Benjamin (Ben) Entrekin of Prime's **Industrial** Market Segment and Mr. Kris Erwin of Prime's **Aviation** Market Segment have earned their Professional Engineer licenses in the state of Georgia.

Prime Engineering Executive Vice President Dick A. Davis commented: "Prime Engineering places great emphasis on employee development, and the continuing professional progression of Prime's staff will provide additional value to our clients in the upcoming year. We are proud of Ben and Kris' efforts."

About Prime Engineering, Inc.
